

REACH Statement

The REACH regulation (EC 1907/2006) on Registration, Evaluation, Authorization and Restriction of Chemicals, entered into force on June 1st, 2007. Insight SiP has made the necessary preparations to comply with the REACH Regulation.

Insight SiP is a supplier of system in package modules. The products that we supply are nonchemical products and under normal and reasonable use, they will not release harmful substance. Our products are categorized as "articles" as far as the REACH document is concerned. Insight SiP is therefore not obliged to register with the European Agency for Chemicals (ECHA).

To the present and best of our knowledge and based upon the information available to us from our suppliers, our delivered articles do not contain any of the 224 chemical substances included on SVHC (Substances of Very High Concern) candidate list valid from June 10th, 2022, in a concentration above 0.1% w/w.

(Reference URL: <https://echa.europa.eu/candidate-list-table>).

Insight SiP will continue to monitor the developments of REACH and is committed to meeting our responsibilities as an environmentally sustainable company.
